Harbour Town Golf Links Rated #1 Golf Course by South Carolina Golf Course Ratings Panel

The Sea Pines Resort is pleased to announce that Harbour Town Golf Links has been selected as the top golf course in South Carolina by the South Carolina Golf Course Ratings Panel. Harbour Town Golf Links has been chosen as the state's best since the panel began its rankings in 2005.

Host of the Verizon Heritage Tournament, Harbour Town Golf Links places a premium on finesse, imagination, and shot-making rather than strength. Harbour Town's collection of par-threes rank among the world's finest and a par-four 18th hole considered one of the most feared in all of golf, particularly when the wind is blowing off Calibogue Sound.

Former U.S. Open champion Jim Furyk has said, "I could play Harbour Town every day and never get bored."

The panel is composed of 125 golf enthusiasts representing a diverse range of occupations, handicaps, and backgrounds. The panel's objective is to promote excellence in the state's golf course design and operations through competitive rankings, education and public advocacy.

Harbour Town Golf Links has a total yardage of 6,973 yards from the Heritage tees, with a slope of 146 and a par of 71.
