

OCEAN

YARDAGE GUIDE

The Ocean Course was originally designed by George Cobb and opened in 1960 as the first course on Hilton Head Island. In 1995, the layout received a major renovation by Mark McCumber. The Ocean Course emphasizes the traditional and classic principles of design and is one of the only golf courses on Hilton Head Island to offer a view of the Atlantic Ocean. The Ocean Course has been awarded the Certified Audubon Cooperative Sanctuary designation and also has been awarded “Beginner Friendly Course Certification.” A varying set of tees and strategic placement of lagoons and bunkers ensure the course will be challenging but playable for golfers of every skill level.

The Ocean Course has been designated a Certified Audubon Cooperative Sanctuary.
